

NOTIFICATION OF VIDEO SURVEILLANCE

To promote the safety of employees, contractors, and visitors, as well as the security of our facilities and equipment, the MF/MR Division may conduct video surveillance of any portion of its premises at any time; the only exception being private areas of restrooms, showers, and dressing rooms. Video cameras will be positioned in appropriate places within and around MF/MR buildings and used in order to help promote the safety and security of people and property.

Questions about video surveillance in the workplace should be directed to the Human Resources & Training Branch (MRG).

I have read and understand the above policy statement and I understand that this applies to me.
