

New, Free Provider Locator App Makes it Even Easier to Access Your Program's Services

Now you can quickly and easily locate behavioral health providers by downloading "My Provider Locator" to your iPhone®, iPod touch® or iPad®

You and your family members now have real-time access to behavioral health care providers through your iPhone®, iPod touch® or iPad®. *My Provider Locator* provides the same information that can be found on your program's website, but now is available on your iPhone®, iPod touch® or iPad®.

My Provider Locator Offers Many Benefits

- It's available wherever you are!
- Search for providers by location, specialty, ages treated, ethnicity, language spoken and gender.
- Add a provider to your iPhone contact list and place a call to the provider's office.
- Receive turn-by-turn directions to the provider's location.
- Enable your GPS and you can identify providers closest to your current location.

Download it Today!

My Provider Locator is available as a **free download from the [Apple App Store™](https://www.apple.com/app-store)** under Healthcare & Fitness, Medical categories, or you can find it by name. As always, you can continue to access your Magellan services and find provider information via your program's toll-free number or online at www.MagellanHealth.com/member.
