

## Plan for Life

A guided and engaging participant experience

# Introducing NetBenefits® for iPad®

*This simple experience expands accessibility to better engage employees.*

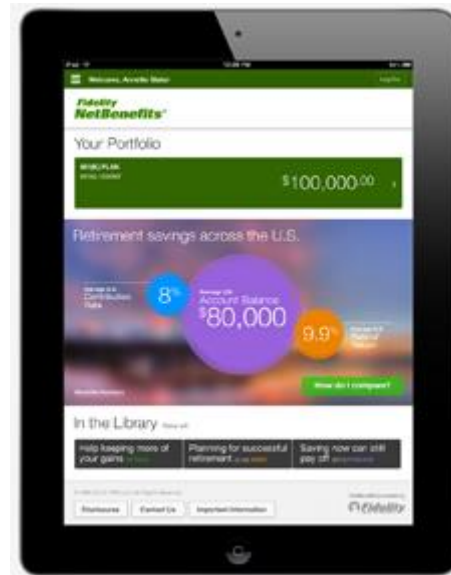

**NetBenefits for iPad® is available now.**

**This new, highly visual app, provides portfolio information plus:**

- Peer comparisons to help shape better decisions
- Multimedia educational resources

**Join us in spreading the word:**

[Share this flyer](#) with participants and watch for messaging on NetBenefits, Facebook, and Twitter.

**Built-in peer comparisons -- powerful social motivator**

**NetBenefits for iPad®** is the latest enhancement in Fidelity's **Plan for Life** participant experience.
