

BENEFITS OF CREDENTIALING & APPRENTICESHIPS

PRESENTED BY MARINE CORPS CREDENTIALING

Marine Corps Credentialing Opportunities On-Line (MC COOL) connects eligible Marines and Civilian Marines with industry recognized Credentials related to their military occupation, collateral duties, and prior civilian education. MC COOL is a resource for recruiters, career planners, academic advisors, and future employers.

The United Services Military Apprenticeship Program (USMAP) enables active duty and full-time support service members to enhance job skills and meet civilian apprenticeship requirements while on active duty, earning a nationally recognized Certificate of Completion from the U.S. Department of Labor.
